

Now you can print directly to the Library's printer from your laptop or mobile device! Visit [rochesterlibrary.org/electronic-resources-2](https://rochesterlibrary.org/electronic-resources-2) to set up wireless printing, or follow the instructions below.

1. Open Google Chrome, then type in <https://goo.gl/Z7jE4b> into the website bar.
2. If you are not logged in to your Google account, you will be prompted to log-in. If you do not have a Google account, you will need to create one in order to use our wireless printing.
3. After logging in, you will be prompted to add the printer **RochesterWirelessPrinter** to your Chrome account. Click the **Add Printer** button.
4. When you are ready to print something, you will need to save the file to your Google Drive and print it from there, OR open up the webpage/file you want to print in Google Chrome. Make sure you are logged in to your Google account.
5. Click on the Chrome menu button near the upper-right corner of the screen. Select Print from the drop-down menu.
6. In the window that pops up, click the "Change" button underneath the Printer destination. A new window should appear asking you to select a printer destination. Near the bottom of the window, select **RochesterWirelessPrinter**.
