Holiday Party with Santa

Saturday, December 8th | 2:00 — 3:30 p.m.

To celebrate the holiday season, the Rochester Public Library District and the Rochester Fire Department are hosting a free holiday party for children and their families at the Rochester Public Library. Take pictures with Santa, who is traveling all the way from the North Pole to be at the library, and make holiday crafts to take home!

A letter from the Board President

Dear Rochester residents:

All of us at the Rochester Library extend our most sincere and heartfelt appreciation for the community support to expand the library. On November 6, the referendum on the ballot did not gain enough support to pass. Therefore, we will not be able to proceed with expansion plans at this time.

Rochester is truly a community of lifelong learners who recognize the importance of the Library as a community resource. In our conversations with friends and neighbors over the last several months, we were inspired and excited by the support for the Rochester Library. Over the coming months, the library leadership will be reaching out to the community to re-connect.

I encourage you to become a member of the Friends of the Rochester Library. The Friends provide critical support to the Library through financial donations, activities, and volunteer opportunities that strengthen the Library.

Again, thank you for your ongoing support of the Rochester Public Library.
