We will have a day packed full of activities such as:  
- Author presentation and book signing  
- Tree planting  
- Recycled craft projects  
- Stories  

Have you gone forest bathing recently? Or noticed what trees in the forest are saying to each other? Join author, Melissa Koch, as she shares excerpts from her new book, *Forest Talk: How Trees Communicate*. In this book, scientists from diverse backgrounds and fields reveal what trees are saying to us and to each other. Trees are essential to all life on Earth, yet humans continue to destroy forests to build roads, cities, homes, and farms. Trees need our help. Learn how to listen when trees talk.  
Melissa Koch is an author of nonfiction children’s books and inventor of digital learning environments for children, educators, and adults. She specializes in developing materials that encourage youth from diverse backgrounds to pursue their dreams in science, technology, engineering, and mathematics (STEM). Her culturally-relevant STEM curricula activities have received recognition from the National Science Foundation, White House Science Fair, PBS, and others. She lives in Decorah, Iowa, with her husband, son, and Labrador Retriever. She and her family enjoy forest bathing and exploring.  

Following her book talk, Melissa will share why she loves researching and writing children’s nonfiction books, specifically STEM topics; answer questions; and sign copies of *Forest Talk: How Trees Communicate*.  

Come celebrate Earth Day and help us clean out our craft closet! We will read stories and make usable crafts using everyday materials. We will celebrate our planet by saving items from the landfill and repurposing them!

Tuesdays 6:00—7:00 p.m.
TEENS: Looking for feedback on writing or have questions about career skills (i.e. resumes, cover letters, interviews, etc.)? Use our book-a-librarian resource to schedule a session with Ayla (youth services assistant) on a Tuesday evening before or after Writing Type. [https://goo.gl/nZVPtD](https://goo.gl/nZVPtD)

Looking to explore and/or share an interest in creative writing? Well, you’ve come to the write [sorry, had to] place. Join us as we begin to develop a new circle of fellow writers! With this new group we will discover a place to create, share, collaborate, and encourage the writing of each other and ourselves. Feel free to bring something to work on or share, but we will also play around with a multitude of writing activities.

P.S. Bring your favorite pen and notebook or a hard copy of your work, we’re going to start this out pretty old school.

P.P.S. Paper and writing utensils can be provided if forgotten or needed.
