CABIN FEVER BOOK BINGO

WINTER READING CHALLENGE

HOW TO PLAY BOOK BINGO:

- Register! Visit www.rochesterlibrary.org/cabinfever or register at the circulation desk.
- Each bingo square lists a location. The BINGO row allows you to choose countries that begin with those letters. Read a book with ties to any spot to mark off that square. A run of five squares earns a bingo chip. Track your reading for a chance to win a prize basket!
- After you have turned in your bingo card with at least 1 completed bingo, you'll earn chips for each line you completed. Place your chips in the corresponding jar for the prizes you want to win. Use all your chips on one prize, or split them up!
- Bingo cards must be turned in by Friday, February 24 - end of day!
