Blood Drive | Registration Required

Wednesday, Oct. 16 | 2:00 - 6:00 p.m.

Wednesday, Dec. 11 | 2:00 - 6:00 p.m.

Many variables can impact the blood inventory: weather, holidays, tragic events. Every day, patients who need blood are in crisis and you can help by volunteering to donate. Less than 10% of the population gives blood, so donors that give on a regular basis are important to meet these needs. Now in the community room! THANK YOU ROCHESTER!

Thank You for Another Successful Season at the Farmers Market!

As we reflect on this year's Farmers Market, we are filled with immense gratitude for our incredible vendors and the wonderful attendees who made this season such a success. On average, we welcomed more than 250 people each week, with around 20 vendors offering fresh produce, handmade goods, and more. That means over 2000 community members have come out to support local businesses and enjoy all that the market has to offer.

For the past 8 years, the library has been proud to host this vibrant community event. However, due to financial constraints, we regret to inform you that we will no longer be able to continue providing the Farmers Market without additional funding.

We deeply appreciate the support and enthusiasm you've shown, and we encourage you to join us for the final two markets of the season on September 8 and September 22 from 12:00-3:00 p.m. Let's make these last two events ones to remember!

Thank you for being a part of this journey and for supporting your local community.

**Thank you to our Friends of the
Library's generous donation of
\$3,600 to make this year's Farmers
Market and Fall Festival available to
the community.**

Get ready for the 5th Annual Fall Festival!

Mark your calendars for **October 19 from 9:00 a.m. - 3:00 p.m.** as we gear up for the 5th Annual Rochester Fall Festival! This cherished event has become a staple in our community, bringing together local vendors, families, and friends for a day of fun and festivities that we all look forward to each year.

This year promises to be our best yet, with over 40 vendors expected and the return of our popular car show, now in its third year! Last year, we were thrilled to welcome over 1800 attendees and we're eager to see even more of you this time around.

We want to extend a heartfelt thank you to all the vendors, pageant participants, car show enthusiasts, and everyone who has attended in previous years. Your support and enthusiasm have made the Rochester Fall Festival the success it has become.

Unfortunately, we are sad to announce that this may be our final year hosting the Fall Festival. Due to financial constraints, the library is faced with difficult decisions, including the possibility of cutting hours, staff, and beloved programs like this one. Without additional funding, we simply cannot continue to provide this service to the community.

It has been our pleasure and privilege to bring the Rochester Fall Festival to life each year. We hope you will join us on October 19 to celebrate and make this year's event the most memorable one yet.

WELCOME TO

OPEN HEARTS OPEN MINDS

We are excited to announce a new program that encourages us to stretch our comfort zone and bring us together for conversation. Our hope is to foster new friendships by participating in the Open Hearts ~ Open Minds Book Club. Join us in a safe space for this youth book club on the second Saturday of each month to discuss diversity. Each month we will cover a different, nationally-recognized, diversity acknowledgment.

We will be reading picture books to our Pre-K kids ages (0-5). For kids ages (6-10), they can either read on their own or you can enjoy the book as a family. We will have several copies of each book available at the library beginning a month before the scheduled conversation date.

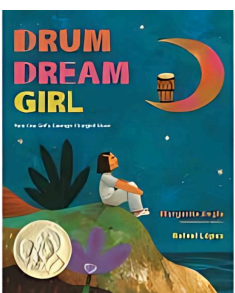

On the second Saturday of each month, we will get together to talk about what we have read. Did the children enjoy it? Did you? Did you learn anything new? Did it make you laugh or cry? During the discussion, we will assemble an easy craft related to the books or let kids play while we talk.

Middle Grade (ages 10-14) and Teens (ages 15-19): Read the title(s) before our meeting date and come prepared with an open heart and open mind to have a conversation with your peers, encouraged by your youth librarians. See our website for the list of scheduled topics or log in to READsquared.

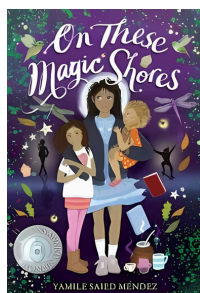

SATURDAY FRIENDS SHARING CIRCLE

Join us for some fantastic fall-building fun! Throughout the fall months, we will be tackling various building challenges. In September and October, each child will work on an individual project. In November, we will break into two or three teams to build a foosball game together.

September 12

Engineer Launchers

What can we do with craft sticks, Qtips, and hot glue? Build engineer launchers - which are a cross between a crossbow and a slingshot. Supplies will be provided with minimal instruction. The goal of this project is to make mistakes, learn from them, and make the necessary adjustments until you have a working model.

www.STEAMPoweredFamily.com

October 10 Geometric Design

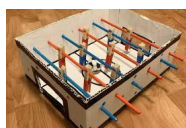

Art is for everyone! Together, we will fulfill that need to create. Don't worry if you feel that you don't excel at figurative art. We will use symmetry and axes to create beautiful paper tiles worthy of display. The style will be reflective of Spanish and Islamic art.

November 14

Foosball Challenge

The goal in November is teamwork! There are many parts to a team and everyone is important to the successful completion of a project. We will take the time to identify what part of the project each team member is responsible for before we start planning and then building. Remember mistakes are an essential part of creating. So come prepared to have some fun while acquiring essential skills that will serve you well in the future.

MIDDLE GRADE PROGRAMS

AGES 10-14

Middle Grade Programs (Ages 10-14)

Officially announcing middle grade programs!

We are adding a new age bracket to our regularly scheduled programming to help bridge the gap between our storytime age kiddos and our older teens. These programs are designed with ages 10-14 in mind to come to the library for some engaging activities outside of school and home. Programs will be drop-off only; no parents/guardians are required outside of library staff.

First Friday of the Month
